## Willis. Faher & Dumas Ltd: Cornhill Insurance Bulletin 289 Pg. 12

**ERIC WHITEHEAD** says he can muddy the waters some more with regard to this topic. He has W2610.01 (WF/C°) on a 1d lilac cover postmarked London EC 27/12/98. The envelope flap carries an identity - that of Metropolitan Life Assurance Society, 13 Moorgate St., London EC1. It seems Messrs Willis Faber made a habit of it from an early date.

[Ed.- Eric did not say exactly what he meant by "it". This 1898 date is much earlier than any mentioned in the article in Bulletin 289 and I am assuming Eric was referring to the 'inclusion' of Metropolitan Life Assurance Society into the firm of Willis Faber & Co.]
